Own Your Own Finance Company

Who is the GFTP?

Upon graduating the Global Financial Training Program, you will own your own finance company and be a commercial loan broker.

Within a week after training, you'll be in the unique position to offer loans from \$5,000 to \$500 million+ to businesses and commercial real estate investors with A, B, C and D credits—while earning up to 15% commissions.

Because we aren't a franchise, there are no royalties or ongoing fees post-training. Additionally, this business can be started at home or in office with very little overhead.

So, who can start the business? Anyone! Our graduates come from a variety of backgrounds and education levels—from housewives to bankers, and everyone in between.

With Global, you can:

- Make money in any economy
- Earn a 6+ figure income
- Provide businesses with the funds they require
- Provide loans across the United States
- Approve A, B, C and D credits
- Access our Lifetime 1:1 Mentoring Program
- Work part-time, full-time from your home or office
- Get started quickly with low overhead
